

Description

All4Maternity Presenting at 34th ICM Triennial Congress

We are delighted to announce All4Maternity will not only be exhibiting at the 34th ICM Triennial Congress in Lisbon, in addition, our co-owners, Dr Anna Byrom and Sheena Byrom OBE will both be presenting at the event to be held 14th-18th June.

Anna and Sheena Byrom, mother and daughter midwife leaders and educators are already Executive Sponsors for the International Confederation of Midwives (ICM) Midwife Leaders Programme, supporting the next generation of incredible midwifery leaders from across the globe.

To be part of the programme at this prestigious global midwifery event is an absolute privilege, Anna and Sheena will be presenting to delegates on topics very close to their hearts

Anna's Presentation

Tuesday, 16 June | 14:00–15:30 | Pavilion 2

Sustaining midwifery continuity of carer in practice: A system-wide mixed-method evaluation of a local maternity and neonatal service in North-West England.

Sheena's Presentation

Thursday, 18 June | 14:00–15:30 | Pavilion 2

Presenting the work of a national collaboration of midwives, obstetricians, academics, maternity care supporters, addressing the growing crisis in UK maternity services.

One Million More Midwives

Under the theme **One Million More Midwives**, this year's Congress will bring together midwives, researchers, educators, policymakers, advocates, and partners from across the globe for an inspiring and action-oriented programme designed to advance midwifery and strengthen sexual, reproductive, maternal, newborn and adolescent health (SRMNAH) worldwide.

Programme at a glance

The packed programme for the 34th ICM Triennial Congress is now live and you can access it here:
